Making a payment using PayWay

You can make a credit card payment online in just a few minutes.

Follow these 5 easy steps:

1. Check the invoice or PayWay payment card your biller provided.
2. Find the PayWay Biller Code.
3. Enter the PayWay Biller Code in the box at the left.
4. Press 'Make Payment'.
5. Follow the prompts and enter the information requested.

You will receive a receipt number and be able to print a copy of the confirmation for your records.

If you have queries about your payment, please contact your biller directly.
